Omaha, NE- June 23, 2008- America First Tax Exempt Investors L.P. (the “Partnership”) announced today its Nasdaq ticker symbol will change from ATAXZ to ATAX effective July 1, 2008. The Beneficial Unit Certificates (“BUCs”) representing assigned limited partnership interests in the Partnership will continue to be listed for trading on the Nasdaq Global Market after the change to its ticker symbol.

### **About America First Tax Exempt Investors, L.P.**

America First Tax Exempt Investors, L.P. was formed for the primary purpose of acquiring, holding, selling and otherwise dealing with a portfolio of federally tax-exempt mortgage revenue bonds which have been issued to provide construction and/or permanent financing of multifamily residential apartments. The Company is pursuing a business strategy of acquiring additional tax-exempt mortgage revenue bonds on a leveraged basis in order to: (i) increase the amount of tax-exempt interest available for distribution to its investors; (ii) reduce risk through asset diversification and interest rate hedging; and (iii) achieve economies of scale. The Company seeks to achieve its investment growth strategy by investing in additional tax-exempt mortgage revenue bonds and related investments, taking advantage of attractive financing structures available in the tax-exempt securities market and entering into interest rate risk management instruments.
